* Organic quality or kosher quality is available and has to be explicitly requested when ordering

◦ The oil is of pure vegetable origin. If hexane is used as a solvent in the extraction process, which subsequently evaporates and does not remain in the refined oil, the naturality origin index is defined as 0 in a strict interpretation of ISO 16128. Organic quality usually has a NOI of 1. Precise information can be provided on the specific oil grade upon request.

¹ **Pharma:** Oils are suitable for the use as excipients in pharmaceutical products. Not applicable for use as API (active pharmaceutical ingredients).

² **Cosmos:** COSMOS Organic certificate applicable to organic oil grades or COSMOS Approved Raw Material for non-organic ingredients

TRADITIONAL OILS

SPECIALTY OILS

Product name	INCI Name	Benefits	Grades					Certifications							
			Refined	Virgin	Extra Virgin	Organic	Pharma ¹	NOI 91-100%	NOI 75-90%	COSMOS/Ecocert ²	Organic	Vegan	RSPO Mass Balance	Halal / Kosher	China Compliant
