COMPLETE SOLUTION. For more than 35 years, Vantage has supplied MROs, airlines, and manufacturers the most complete range of approved chemical solutions on the market. From aircraft paint removers to manual hand-wipe cleaners to sophisticated parts washing solutions, Vantage’s sales and technical professionals are trained to help customers select, evaluate and implement the most appropriate products and processes.

TRUSTED BRANDS. Vantage's chemical solutions are engineered to meet and exceed the aerospace industry’s requirements for performance and materials compatibility. AEROWAX™, AXAREL™, B&B™, BIOACT™, CleanSafe™, LENIUM™ and RE-ENTRY™ are brands trusted and approved by leading manufacturers and repair facilities in over 30 countries worldwide.

SOLVENT SUBSTITUTION & POLLUTION PREVENTION. Safety, health and environmental responsibility are cornerstones of both our products and work practices. From reducing VOC emissions to minimizing exposures to lowering fire risk, we have experience helping customers find suitable replacements for acetone, IPA, MEK, MPK, mineral spirits, trichloroethylene (TCE), perchloroethylene (PERC), methylene chloride (MeCl), HCFCs and other hazardous solvents. Contact us today to learn how we can address your solvent substitution and pollution prevention initiatives.
